

Privacy Notice

What Does This Privacy Notice Cover?

This Privacy Notice describes what personal information we collect, how we collect and use your personal information, who we disclose it to and why, the measures we take to protect your personal information, and the choices you may have regarding our use of your personal information. It covers our websites and mobile apps and services where this Privacy Notice is posted (“Sites”).

What Personal Information Do We Collect?

We may collect or receive the categories of personal information listed below, which may depend on the products or services you may use, as well as your device and account settings. Not all categories of personal information will be collected or received about every individual.

- **Basic Personal Identifiers**, such as telephone number.
- **Communications:** Communication details (such as the content of text messages, or other communications), call logs, and calendar information.
- **Geolocation:** Data about the location of your device, which may be imprecise (i.e. inferred from your device’s location service).

How Do We Use Personal Information?

We do not use your personal information in any way.

How Do We Collect Personal Information?

We may obtain and combine personal information from different sources, collected online and offline.

Provided Directly by You

When you use the app, you may share different types of personal information with us when you engage in the activities below:

1. Calling the contact person

2. Sending the emergency SMS
3. Sending SMS with other information from the app or user's description

Who Do We Disclose to & Why?

We may disclose your personal information with the contact person and with people of contact person's consent for them to use in ways that are consistent with this Privacy Notice.

Law Enforcement, Courts, and Other Legal or Governmental Bodies

We may disclose your personal information when required by law or legal process, or when we believe doing so will help to protect the safety, property, or rights of individuals. Examples include:

- Protecting the health or safety of individuals
- Responding to a request from law enforcement, search warrant, or other valid legal inquiry
- Responding to a court or other investigative body in the case of an alleged breach of an agreement or violation of law

How Will I Know if this Privacy Notice Changes?

We will provide notice of significant updates, but please check our Privacy Notice periodically for changes. We'll always post the date our Privacy Notice was last updated at the top of the notice.
